

**EVENTS ON THE MOVE**

Customs & Freight Logistics

## Customs Brokerage

**Shipping and customs  
brokerage for meetings  
and conventions**

### **Events on the Move is proud to be the official Customs Broker for Levy Show Service Inc.**

Events on the Move makes your international shipping easy and stress-free. Our experienced team of customs knowledgeable staff will complete all of your customs documentation – ensuring top priority for customs clearance.

Because Events on the Move specializes in the special events industry we understand the time sensitivity of your freight. Your event may qualify for special privileges made available by Canada Customs. These privileges can include clearing your shipment on-site – rather than at the border. We can also bring your goods in Duty and Tax free.

We know you can't afford to have your shipment stuck in customs. No matter where you are in the world, we'll ensure your shipments move seamlessly into Canada and delivered right to your event.

**Our customs brokerage services include:**

- Recognizing your event with Canada Customs
- Application for Duty and Tax Free shipping as well as on-site customs clearances
- Consultation and advice for exhibitors and delegates to ensure a hassle free experience
- Working in conjunction with your selected carrier, we can streamline shipping into Canada
- Expedited Customs Clearance
- 24 hour 7 day support for your event
- On-site customer service to ensure your event move-in and move-out on time and without delay
