Dear Mr. Cabural

I have received notification from North American Logistics Services Inc. advising of the **CRFA Show** to be held at the **Direct Energy Centre** in Toronto, over the period of **March 4th-6th, 2012**.

I am pleased to advise you that the use of **Tariff Item 9993.00.00.00** is being extended to you for this event.

Goods imported temporarily under tariff item 9993.00.00.00 cannot be sold, leased or further manufactured or processed while in Canada. The goods must be imported in a reasonable quantity pertaining to their use while in Canada. The goods must be exported within a reasonable time after the conclusion of the event. Should participants decide to give away, sell or otherwise dispose of any temporarily imported goods, they must contact the nearest Canada Border Services Agency office or their Customs Broker to arrange for the proper accounting for those goods. After the event, any goods that remain in Canada are subject to the payment of duties and taxes regardless of whether or not the goods are sold.

Also, use of the Border to Show System is authorized.

I recommend that any exhibitors coming to this event from outside of Canada be provided with a copy of this letter for presentation to Canada Customs Officials at time of entry into Canada.

This letter does not preclude the necessity for possession of appropriate documentation to satisfy Immigration requirements at time of arrival in Canada. Please visit www.cic.gc.ca/english/visit/index.asp for more information or contact Immigration at 1-888-242-2100.

I note that you have appointed **North American Logistics** "Official Customs Brokers" to effect Customs clearance of goods destined for your event.

I wish you every success with your event and if I can be of further assistance, please contact me by telephone at (905) 803-5261 or by fax at (905) 803-5353.

Yours truly,

Mau'veen Dayrell-Johnson
